

**Stars will feature a specially co-curated collection of both investment grade and up and coming artworks created by the most exciting artists on the scene, combining top tier talent from both the Brunswick Art Gallery and the Art Hound Gallery.**

**Some gems to look out for include all new exclusive Rock 'n' Roll fine art photographs by Scarlet Page, daughter of legendary Led Zeppelin guitarist Jimmy Page. Expect custom made neon collaborations by world renowned Street Artist Pegasus and Punk Rocker Mark Illuminati.**

**British superstar light artist Lauren Baker will present a series of stunning new Diamond Dust rare canvases. Celebrity favourite David Studwell shows the very best of his signature Hollywood Babylon screen prints, while cutting edge rising star Naomi Wallens presents a new collection of original provocative paintings, cheeky sculptures and her all new hand bent neon creations.**

**The Brunswick Art Gallery is the brainchild of world class record producer and hit songwriter John Themis. Expect to see rare star studded artworks by the likes of music legend Boy George and the Andy Warhol of West L.A. Richard Duardo and a range of international talent including works by master sculptor Shaun Gagg and Australian artist Angela Morris Winmill.**
